

Dear Hiring Manager,

I am writing to express my strong interest in the IT Staff / IT Infrastructure position at your company. My name is Randy Iqbal Putra Kesuma, and I am a dedicated professional specializing in IT Infrastructure and IT Support, holding an MTCNA (MikroTik Certified Network Associate) certification.

With extensive experience in network management, system maintenance, and providing technical support, I have developed a solid foundation in ensuring operational efficiency. Currently, I am actively deepening my knowledge in Security Systems and Cyber Security. I am eager to bring this expertise to your organization to help strengthen your security infrastructure while continuing to grow and contribute to your team's success.

I have attached my CV, relevant certifications, and portfolio to this email for your review. My portfolio showcases my technical projects and my commitment to continuous learning in the IT field.

Thank you for your time and for considering my application. I look forward to the possibility of discussing how my skills and background can benefit your company.

Sincerely,
Randy Iqbal Putra Kesuma

Randy Iqbal Putra Kesuma

IT Staff | IT Infrastructure | Management Support | Junior Network Engineer | Web Developer | Cyber Security Enthusiast | Student at Universitas Pelita Bangsa (Teknik Informatika)
Kota Bekasi, Jawa Barat, Indonesia

Work experience

PT Yamani Spring Indonesia

IT Staff | IT Infrastructure | Management Support
Apr 2025 - Present Cikarang Selatan, Jawa Barat, Indonesia

- Responsible for the stability, security, and development of the company's entire information technology infrastructure. Their role includes network management, server maintenance, technical support for users, and the development of web-based systems to support the company's operational efficiency.

PT Valeo Pyonghwa Asean Transsmision

Production Operator
Oct 2023 - Jan 2024 (4 Year, 3 Month)

- Managed the end-to-end production cycle by coordinating team meetings, inspecting components, and performing precision assembly according to work instructions while ensuring strict adherence to quality standards through detailed measurement and SPC reporting.

GAOTek Inc.

Web Developer (Remote)
Oct 2023 - Jan 2024 (4 Month)

- Collaborated seamlessly with the team to drive company website development, executing all technical tasks with meticulous attention to requirements and providing comprehensive reports on assignment outcomes to ensure project transparency.

PT Yamaha Indonesia Motor Mfg

Painting
Jan 2018 - Jan 2020 (2 Year) Karawang, Jawa Barat, Indonesia

- Expertly performed Top Coat finishing and Spraygun operation, including technical color changeovers (Dandori) and pre-production trials, while ensuring total operational integrity through material verification, 5S maintenance, and strict adherence to safety, PPE, and quality protocols.

Education

Universitas Pelita Bangsa (UPB)

Bachelor's degree, Informatics Engineering (September 2022 -Present)

SMK Panca Bhakti Banjarnegara

Senior High School , Industrial Electronics Engineering (September 2014 - September 2017)

SKILL

- Network & Connectivity Management Optimizing LAN/WLAN infrastructure and monitoring internet performance while coordinating with ISPs for technical resolutions and service upgrades.
- Server & Virtualization Maintenance Ensuring high availability of company servers and managing VMware virtualization to optimize resource allocation and minimize downtime.
- Technical Support & Troubleshooting Delivering rapid hardware, software, and network troubleshooting to resolve user issues and maintain operational continuity.
- Web Systems Development Developing and enhancing features for the company website and internal applications to provide functional digital business solutions.
- IT Asset & Documentation Management Maintaining comprehensive IT inventory and technical documentation, including device specifications, usage history, and software licensing.
- System Upgrades & Modernization Executing scheduled hardware and software upgrades to ensure a secure, modern, and productive IT environment.
- Strategic IT Planning Formulating Annual IT Project Plans and budgets to align future infrastructure development with long-term corporate goals.
